

Arizona School Hearing Screening Guidelines

Hearing screening for school age children in Arizona is
mandated by law: R9-13-101 thru 109

- Preschool
- Kindergarten
- First Grade
- Second Grade
- Sixth Grade
- Ninth Grade
- Students with Individualized Education Plans, 504's, and/or resource services
- Students who are new to the district and/or without screening status
- Students who repeated a grade within the last year
- Students who failed a hearing rescreening within the previous year
- Students with documented hearing loss
- Students who have participated in industrial arts shop classes for more than one quarter
- Students identified as "at risk" for hearing loss in the previous school year
- When referred by:
 - Self
 - Teacher
 - Parents/Legal Guardian
 - Other School Professionals
